

## New Area Managers for LAH

Thierry Vendrell

Thierry Vendrell has recently joined the sales department of Lohmann Animal Health as Area Sales Manager for Europe and North Africa.

After his graduation as veterinarian from the veterinary faculty of the UAB (Universidad Autónoma de Barcelona) in 1992 he worked for a company engaged in genetic selection and a feed compounder.

Before joining LAH he was regional manager for a Spanish vaccine manufacturer's sales force in Africa.

Based in the headquarters in Cuxhaven, Dr Alexey Dronov takes charge of the CIS countries – which include Armenia, Azerbaijan, Belarus, Kazakhstan, Kyrgyzstan, Republic of Moldova, Russian Federation, Tajikistan, Turkmenistan, Ukraine and Uzbekistan. After graduating in veterinary science at Omsk University in Russia, Dr Dronov studied for his PhD at the Institute of Parasitology, then gained a doctorate at the University of Veterinary Medicine at Hanover, before becoming regulatory affairs manager for HEEL GmbH in Germany.
